About MODON

MODON DEVELOPMENTS

Modon Developments is a leading real estate developer in Egypt, renowned for pioneering a new concept in the industry—"Integrating an Exceptional Life Experience." Established in 2020 by a coalition of experienced experts with over 30 years in the field, Modon is dedicated to crafting living spaces that blend luxury, tranquility, and functionality. Our portfolio spans premium residential, commercial, and administrative projects, each designed to offer an unparalleled living experience. As a self-funded company, Modon has maintained its independence and financial strength, successfully executing projects without taking any loans from banks. We were also the first developer to introduce hotel-serviced apartments in the New Administrative Capital, committed to innovation and excellence, continuously setting new standards in the real estate market. With 15 diverse projects across New Cairo, the New Administrative Capital, and 6th of October City, Modon Developments is shaping the future of living in Egypt.

Welcome to

Modon Golf Town

NEW CAIRO

Modon Golf Town is a new landmark community rising in the heart of the 6th Settlement—a destination designed for families who value space, nature, and an elevated way of living. Spanning 45 acres, the project introduces the first Golf Course in the 6th Settlement, setting a new benchmark for lifestyle communities in New Cairo.

Master-planned with harmony and sophistication, Modon Golf Town blends expansive single-family homes, modern apartments, and a vibrant mixed-use zone of commercial and administrative spaces. Every element is thoughtfully crafted to create a self-sustained community where daily life, leisure, and convenience come together seamlessly.

This is where green landscapes meet contemporary living. Where every home opens to a view. Where families grow, connect, and thrive

Gated COMMUNITY

Modon Golf Town is designed as a fully gated community, With three dedicated gates providing organized entry and exit points,offering residents a secure, private, and peaceful environment at every step. With controlled access points, 24/7 security, and a carefully planned internal road network, the community ensures comfort and safety for families of all sizes. Inside the gates, wide pathways, landscaped green areas, and dedicated pedestrian zones create a calm, walkable atmosphere where residents can enjoy daily life with ease and confidence. This is a place where privacy is protected, movement feels effortless, and the entire community is designed around your peace of mind.

CLUB HOUSE

The Club House at Modon Golf Town is the community's social heart—an elegant, modern space designed for comfort, leisure, and gatherings. Overlooking the Golf Course, it offers residents a stunning green backdrop that elevates every moment spent inside or outdoors.

Fully serviced by the international hotel, the Club House delivers five-star hospitality right to the community, ensuring seamless service and an exceptional lifestyle experience. Inside, residents will find all the amenities they desire: relaxing lounges, wellness and leisure areas, co-working corners, family spaces, and dedicated zones for recreation and everyday comfort.

Whether enjoying a quiet morning coffee with a golf view, hosting friends, or finding a peaceful space to unwind, the Club House becomes an extension of home—crafted with the finest standards of hospitality, landscape, and design.

Golf FOR EVERYONE

The golf course at Modon Golf Town is designed primarily for training and learning, making it the perfect place for anyone to start their journey with the sport. Created as a dedicated training-purpose course, it offers residents the ideal environment to practice, improve, and grow their skills—whether they are complete beginners or developing players. The course blends open greens with a calm, structured layout that makes learning golf enjoyable, accessible, and part of daily life. Here, families, adults, and young players can all experience the discipline, focus, and elegance of golf in a supportive setting crafted for learning and progression.

Golf SIMULATOR

Modon Golf Town features a dedicated Golf Simulator, offering a high-tech, interactive way to learn and practice the game. Designed especially for kids and beginners, the simulator creates a safe, fun, and engaging environment where young players can understand the basics, improve their technique, and enjoy the sport year-round. With realistic digital courses and guided training settings, the Golf Simulator becomes the perfect space for families to introduce their children to golf, build skills from an early age, and make learning both easy and enjoyable

The First
GOLF EXPERIENCE
in the 6th Settlement

At the heart of Modon Golf Town lies its crown jewel — a 16-acre Golf Course, the first of its kind in the entire 6th Settlement. Designed as a training and lifestyle-focused course, it brings the essence of golf living into everyday life, offering residents a unique blend of sport, nature, and premium community living. This golf course is not just a feature — it is the soul of the masterplan.

Stretching across the center of the community, the course creates uninterrupted green views that surround every home. Whether villas or apartments, each unit enjoys a 360-degree green panorama, ensuring that nature is always part of your daily scenery. Living beside a golf course is a global symbol of prestige, serenity, and elevated lifestyle

A Community
BUILT ON HILLS
ELEVATIONS

Modon Golf Town is designed on a dynamic hills elevation system that allows the entire community to rise naturally with the landscape. This thoughtful topography gives every Townhouse and Twin House a higher placement, offering more privacy, more light, and a wider, unobstructed view of the Golf Course. Instead of homes sitting on one flat level, the project flows in gentle layers, allowing each residence to open beautifully toward the green. The result is a community where space feels expansive, the views feel endless, and every home enjoys a privileged position overlooking the heart of Modon Golf Town, the Golf Course itself.

Life on THE GREEN

Modon Golf Town is shaped around an immersive landscape experience where golf, greenery, and open spaces define every part of daily life. The community unfolds across expansive green fairways, scenic walking pathways, and dedicated bicycle lanes, creating a calm and active outdoor environment for residents of all ages. Throughout the masterplan, beautifully designed seating areas are thoughtfully placed to offer peaceful pockets for relaxation, social moments, and sunset views over nature.

Complementing the greenery, a series of serene water lakes brings freshness and balance to the landscape, enhancing the views and adding a sense of tranquility to the community. Together, the Golf Course, pathways, lakes, and lush outdoor areas create a lifestyle that is active, scenic, and deeply connected to nature—offering residents a daily escape right at home.

The Golf Villas COLLECTION

Introducing the single-family homes at Modon Golf Town—a collection made up exclusively of Townhouses and Twin Houses, designed for families who value space, comfort, and a modern way of living. These villas embrace a very modern architectural style, with clean lines, open layouts, and large glass fronts that invite natural light and highlight the surrounding landscape. Built on hills elevations, every home rises gently above the next, allowing all villas to enjoy open Golf Course views, refreshing airflow, and a naturally uplifting living experience. Here, the architecture, the heights, and the green come together to create homes filled with clarity, freshness, and happiness.
