

A BLUEPRINT FOR BALANCE & HARMONY.

Masterplan

Tierra is designed and master planned to bring together elegant villas and contemporary residential apartment buildings, all enveloped by expansive green open spaces and outdoor communal areas.

DISCLAIMER

1. All room dimensions are measured to structural elements and exclude wall finishes and construction tolerances. 2. All dimensions have been provided by our consultant architects. 3. All materials, dimensions and drawings are approximate, information subject to change without notice. 4. Actual areas may vary from the stated area. Drawings not to scale.

The developer reserves the right to make revisions. 5. Actual unit areas, front windows, porches, terraces, loggia and exterior trim detail may vary by elevation styles and floor level. 6. Each garden plot will vary based on the location of the building. 7. Terraces & receptions facades may vary based on the floor location and facade design.
