

The Groove

SOKHNA

The Groove Ain El Sokhna is one of DM Developments' main residential projects located in El Galala area. The Groove sprawls over a 350,000 m land, housing 1700 residential units along with administrative and retail units. The Groove is located 35 minutes away from the New Capital, 45 minutes away from Cairo's new gates and only 50 minutes away from New Cairo. The Groove Sokhna is ideally positioned beside Galala resort. 11 Kilos away from Porto Sokhna, 8 Kilos away from Movenpick Hotel and 700 m from El Galala Village.
