BAGHUSH

A *Destination* TO CELEBRATE

Rise and shine from your quiet slumber to the subtle sounds of birds chirping. The aroma of your freshly brewed morning coffee awaits you. It is early morning and you are fully relaxed in your home at Marsa Baghush where the hustle and grind of city living seems but a distant memory. The open-sky court within the privacy of your own home creates a wonderful place for breakfast with plenty of natural light & sea breeze.

7: 45 am

Endless SKIES AHEAD

An exhilarating bike ride through “The Olive Grove” units takes you through the botanical spine with the exquisite scents of all kinds of musks and floral plantations pump new blood into your veins as you drive on the bike paths on your way to “The Fig cluster”, the residential area closest to one of ٢٠٠ + commercial shops and restaurants for fresh croissants, baguettes, and some savory pastries. It is only ٩ am and you look forward to crafting yet another memorable day filled with laughter and fun in the sun.

THE CROWN *Jewel* OF THE COAST

with the day's most important meal well taken care of, you step outside of your home's backyard straight onto one of the five 50 plus meter wide 300-meter-long crystal clear lagoons with sandy beaches that is a natural extension of your home in one of "the Vineyard" units. You spend the next few hours playing and building your families largest sandcastle of the season...with a selfie and a story are now in check... your children jump onto the kayak and paddle their merry way through the lagoon, with your mind fully at ease as you wave to the lifeguards that are constantly manning the swimmable lagoons and run off to the state of the art fitness facility for your workout

THE ONE OF *All* ENVY

By now you have worked up quite an appetite and arrive to meet your friends living in one of the breathtaking units of “The Plum line” right on the wonderful shores of the crystal clear waters on the beach. With all the calories burned throughout the day you guiltlessly order your lunch on the beach where the various amenities offer you a delicious meal and drinks, as well as some extra towels and two loungers. As the sea breeze cools off your body, you slowly dose off for a well-deserved nap.

CULTIVATING MEMORIES *Outlasting* TIME

The day is winding down for the children, and preparations are underway for evening plans where the grownups are going out. You enjoy your ride back through our beautiful botanical garden to your loved ones at home just in time for shower and a festive dinner outside in your own garden where the elevation allows for an unobstructed view of the beautiful beach during sunset....simply put...picture perfect.
