Where Healthcare Meets Excellence

ABOUT EDG

Founded in 2014, Everest Development Group has quickly established itself as a trailblazer in the real estate sector, known for its innovative approaches and commitment to excellence. Inspired by the grandeur of Mount Everest, EDG is dedicated to transforming landscapes and enriching communities through its pioneering developments.

From modest beginnings with individual building projects, EDG's journey has expanded to include a diverse portfolio of residential, commercial and administrative developments. Today, we are not just building structures; we are crafting vibrant communities that enhance urban living. As we undertake larger and more complex projects, our foundational values of innovation and quality continue to drive us forward, cementing our position as industry leaders.

EDG stands as a beacon of progress, pushing the boundaries of traditional real estate to create not just buildings, but sustainable environments where businesses and families can thrive. Our projects are designed with the future in mind, incorporating cutting-edge technologies and sustainable practices that set new benchmarks in the industry.

With each project, EDG reaffirms its commitment to excellence and its vision of not just meeting, but exceeding the expectations of our clients and stakeholders. As we scale new heights, we remain focused on our mission to deliver exceptional value and transform the way people live and work.

ELEVETING BUSINESS

At Medplex, we redefine what it means to be a medical complex.

Our development is designed not just as a place for medical practice but as a thriving business ecosystem.

By integrating clinic spaces with essential medical shops including pharmacies, we create a synergistic environment that enhances productivity and facilitates growth.

Medplex isn’t just a location; it’s a cornerstone for medical professionals aiming to elevate their practice in a setting that supports success and innovation

THE PHILOSOPHY

The name ‘Medplex’ embodies our philosophy of comprehensive medical care and complex management under one roof.

It signifies a complex interwoven with precision, professionalism, and wellness. ‘Med’ reflects our dedication to the medical field, emphasizing health and care, while ‘plex’ denotes our multifaceted facilities that cater to every need of healthcare providers and patients alike.

Together, Medplex stands as a beacon of complete, integrated medical solutions.

EXPERIENCE THE MEDPLEX DIFFERENCE

Choosing Medplex means opting for a facility where every detail is designed with the highest standards of medical care in mind.

From the strategic layout of clinic spaces that ensure privacy and efficiency, to the inclusion of specialized medical shops within the complex, everything is curated to enhance the professional and patient experience.

At Medplex, we provide more than just space; we offer a community and a platform where medical professionals can thrive alongside their peers.

ARCHITECTURAL
BRILLIANCE

Medplex is a testament to architectural excellence, combining functionality with aesthetic appeal.

The design prioritizes natural lighting, spacious interiors, and modern façades that stand out in the medical industry.

Every clinic and shop is crafted to meet the specific needs of healthcare professionals, with cutting-edge technology and infrastructure.

Our architectural approach ensures that both practitioners and patients enjoy a welcoming, comfortable, and efficient environment.

FUSION FORM
Architecture
Development

Fusion Form, led by architect Mohamed Emad, is an architectural firm specializing in sustainable and innovative design across architecture, urban planning, engineering, and design. The firm combines creativity with practicality, using advanced digital techniques to enhance user experiences and community connections. Committed to sustainability and innovation, Fusion Form focuses on creating long-term value for clients and communities through transformative designs.”
