

MASTER PLAN

In its master plan, the Business District reimagines a supportive business environment that drives company success. Spread out across an area of 191,275 sqm, the current phase holds 12 office buildings including a world-class conference center spanning 50 sqm to 11,600 sqm. Serving both SMEs and large corporations, its diverse facilities, comprehensive services, inspiring %70 landscapes, enabling infrastructure, and advanced technological systems provide a secure and efficient platform for business growth.
