

This site plan illustrates the layout of the proposed new building and its integration with the surrounding landscape. The building is a large, light gray structure with a central courtyard. The plan includes several key features and zones:

- ENTRANCE:** Indicated by a red arrow pointing to a paved area with a pattern of small red flowers.
- WATER FEATURE:** A blue, irregularly shaped pond or water feature located near the entrance, surrounded by greenery and a paved area.
- DROP OFF:** A designated area for drop-off, marked by a black dot and a dashed line.
- LANDMARK:** A specific point of interest, marked by a black dot and a dashed line, located near the building's corner.
- OUTDOOR SEATING AREAS:** Two distinct areas for outdoor seating, marked by black dots and dashed lines, one near the building's corner and another near the water feature.

The plan also shows various landscaping elements, including rows of palm trees along the top and right edges, and clusters of green shrubs and trees within the courtyard and near the building. A road with a dashed line runs along the top and right sides of the site. A north arrow is located in the top left corner.

OUTDOOR SEATING AREAS.
