

LOCATION

NEW DOWNTOWN'S PULSE

قلب العاصمة الجديدة

Strategically positioned in the heart of the New Capital, our project offers easy access to major landmarks, business hubs, and residential areas, ensuring connectivity and convenience.

Located directly on the Central Park, the Green River, and the Iconic Tourist Towers District, the project is designed to serve the growing residential communities of R7 and R8, making it a prime destination for businesses and investors alike.

Downtowns are built for success, anywhere, anytime. From New York to Paris, downtown districts have always been the heartbeat of cities, attracting businesses, tourists, and residents.

Track Rev continues this legacy in Downtown New Capital, where life, commerce, and opportunity meet.
